

## DEVELOPING THE CHATBOT AND INTEGRATE TO APP

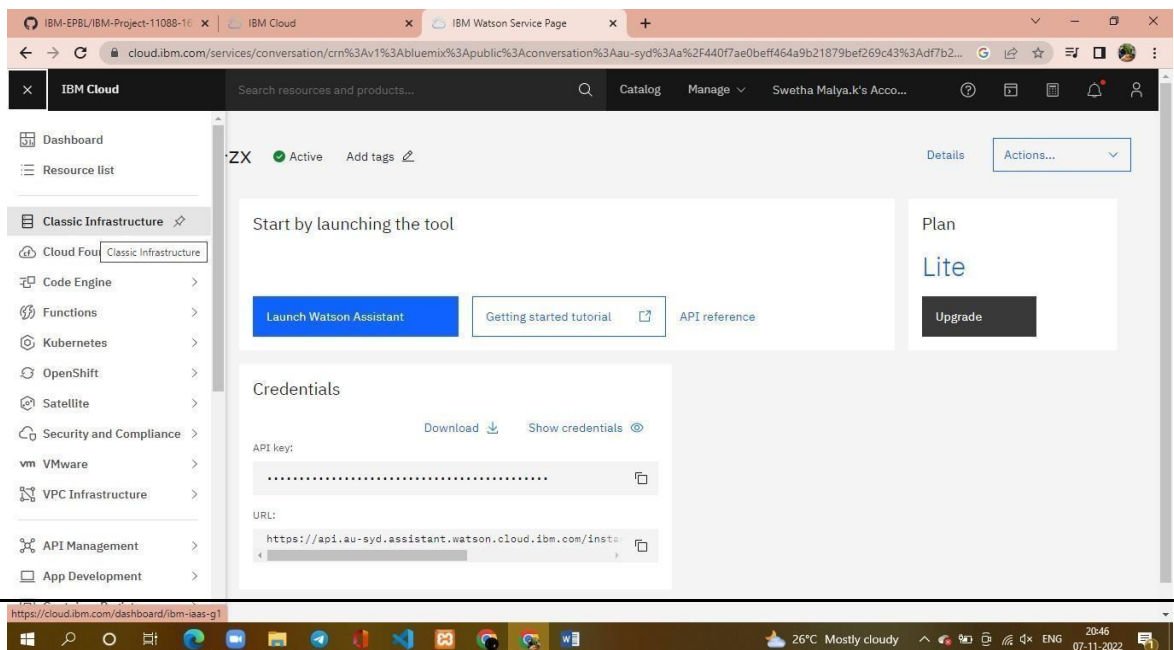

<b>Date</b>	19 NOV 2022
<b>Team ID</b>	PNT2022TMID47584
<b>Project Name</b>	Skill and Job Recommender
<b>Team Members:</b>	Samyappan(leader),varunkumar.murugan,nav een

### Step 1:

Enter into the below link to develop an Chatbot  
[https://www.youtube.com/watch?v=fl\\_ZHT8ZspU](https://www.youtube.com/watch?v=fl_ZHT8ZspU)

### Step 2:

### Step 3:

IBM Watson Assistant Lite Upgrade shopping bot

## Welcome to the new Watson Assistant

**Tell us about yourself**  
This information will be used to personalize your onboarding experience.

Which industry do you work in?  
N/A (I am a student)

What is your role on the team building the assistant?  
Other

Enter your role here  
student

Which statement describes your needs best?  
I'm using Watson Assistant to complete a course or certificatic

The Speed Demons are in stock at our Downtown and Northgate locations, which are both within five miles of you.

What size and color do you need?

I'm looking for a size nine in white

Great news! The Speed Demons are available in white in a size 9.

You can purchase them for curbside pick up or we can ship them to you. Which would you prefer?

I'll pick them up! Ship them to me, please!

Hi! I'm a virtual assistant.  
How can I help you today?

Example: Find nearby location  
Example: Check account balance  
Example: See how I can help

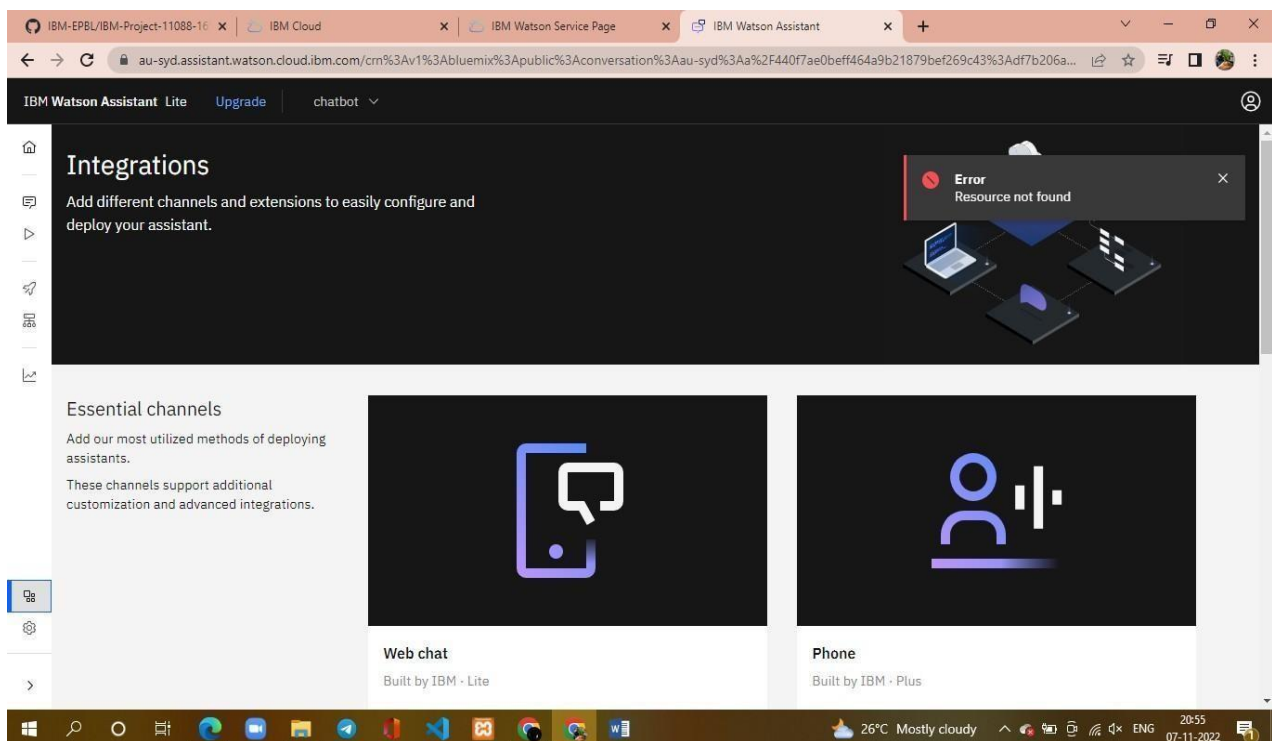

Type something...

Built with IBM Watson

## Step 5:

## Step 6:

## Step 7:

The screenshot displays the IBM Watson Assistant interface, specifically the 'Assistant settings' page. The top navigation bar includes 'IBM Watson Assistant Lite' and an 'Upgrade' button. Below the navigation bar, a status message reads 'Your system is being trained...'. The main content area is divided into three sections: 'Assistant language', 'Dialog', and 'Delete this assistant'. The 'Assistant language' section shows 'English (US)' as the selected language, with 'Cancel' and 'Saved' buttons. The 'Dialog' section features an 'Activate dialog' button. The 'Delete this assistant' section includes a warning message and a 'Delete assistant' button. The bottom status bar shows the temperature '26°C Mostly cloudy' and the date '07-11-2022'.

## Step 8:

The screenshot shows the IBM Watson Assistant interface in a web browser. The top navigation bar includes 'IBM Watson Assistant', 'Life', 'Upgrade', and 'shopping bot'. The main content area is titled 'Create an account' and features a 'Customer starts with:' section with a 'Begin account' button. Below this is a 'Conversation steps' section with three steps:

- Step 1: 'I can help you with that! To create an account, we will need a few pieces of information. Let me guide you through this process!'. It includes a 'Continue to next step' button.
- Step 2: 'First, please provide your first name.' with a 'Free text' input field and a 'Continue to next step' button.
- Step 3: 'Thanks! Now, enter your last name.' with a 'Free text' input field and a 'Continue to next step' button.

On the right, the 'Define customer response' section is visible, showing 'System' and 'Options' tabs. The 'Options' tab is active, displaying 'As buttons' (Checking, Savings, 401 (k), Roth IRA) and 'As a list' (Pay Bill). A 'Preview' button is located at the bottom right of the response definition area.

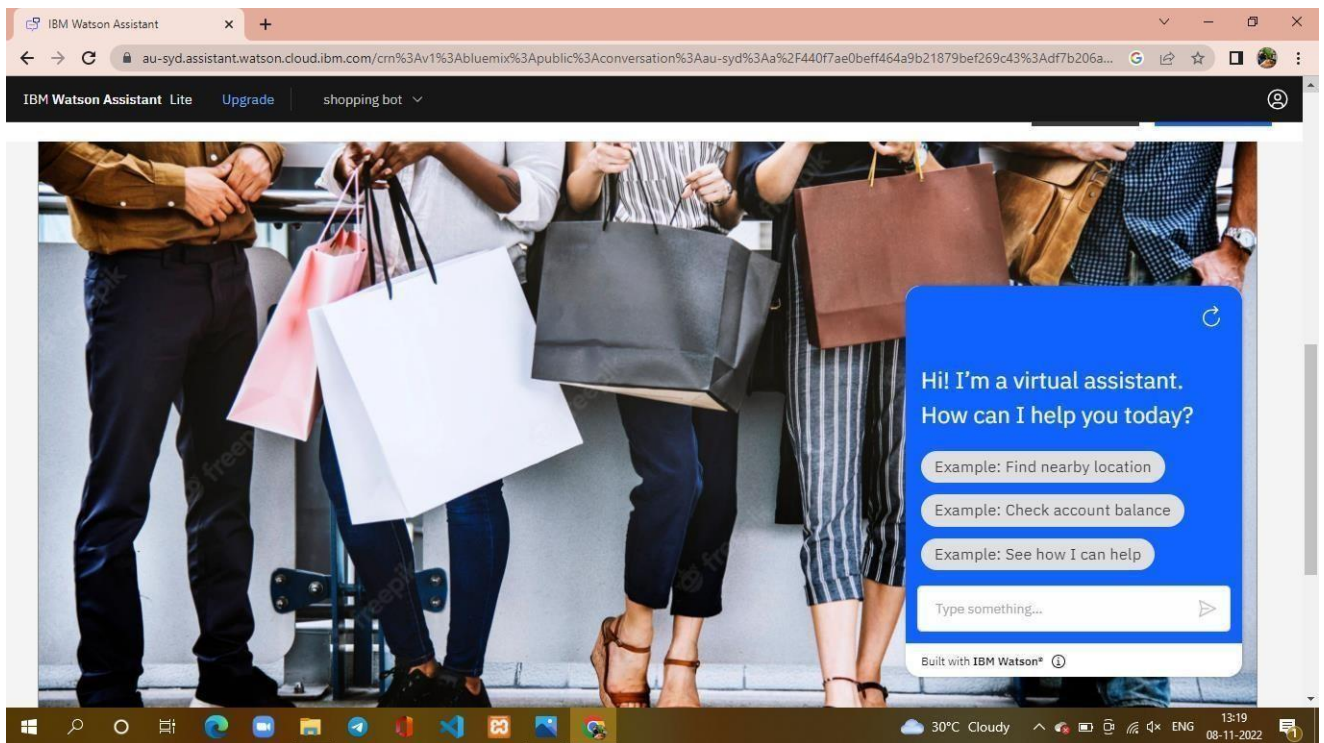

This screenshot shows the same IBM Watson Assistant interface, but with a 'Preview' window open on the right. The 'Conversation steps' section on the left is identical to the previous screenshot. The 'Define customer response' section on the right is also visible. The 'Preview' window shows a simulated conversation:

- Greet customer [default]**: 'Welcome, how can I assist you?' (User input: 'hi')
- Create an account recognized**: 'I can help you with that! To create an account, we will need a few pieces of information. Let me guide you through this process!'
- First, please provide your first name.** (User input: 'User enters free text')

The 'Preview' window includes a 'Type something...' input field at the bottom. The 'Define customer response' section on the right shows the 'Assistant says' section with the text 'First, please provide your first name.' and a 'Continue to next step' button.

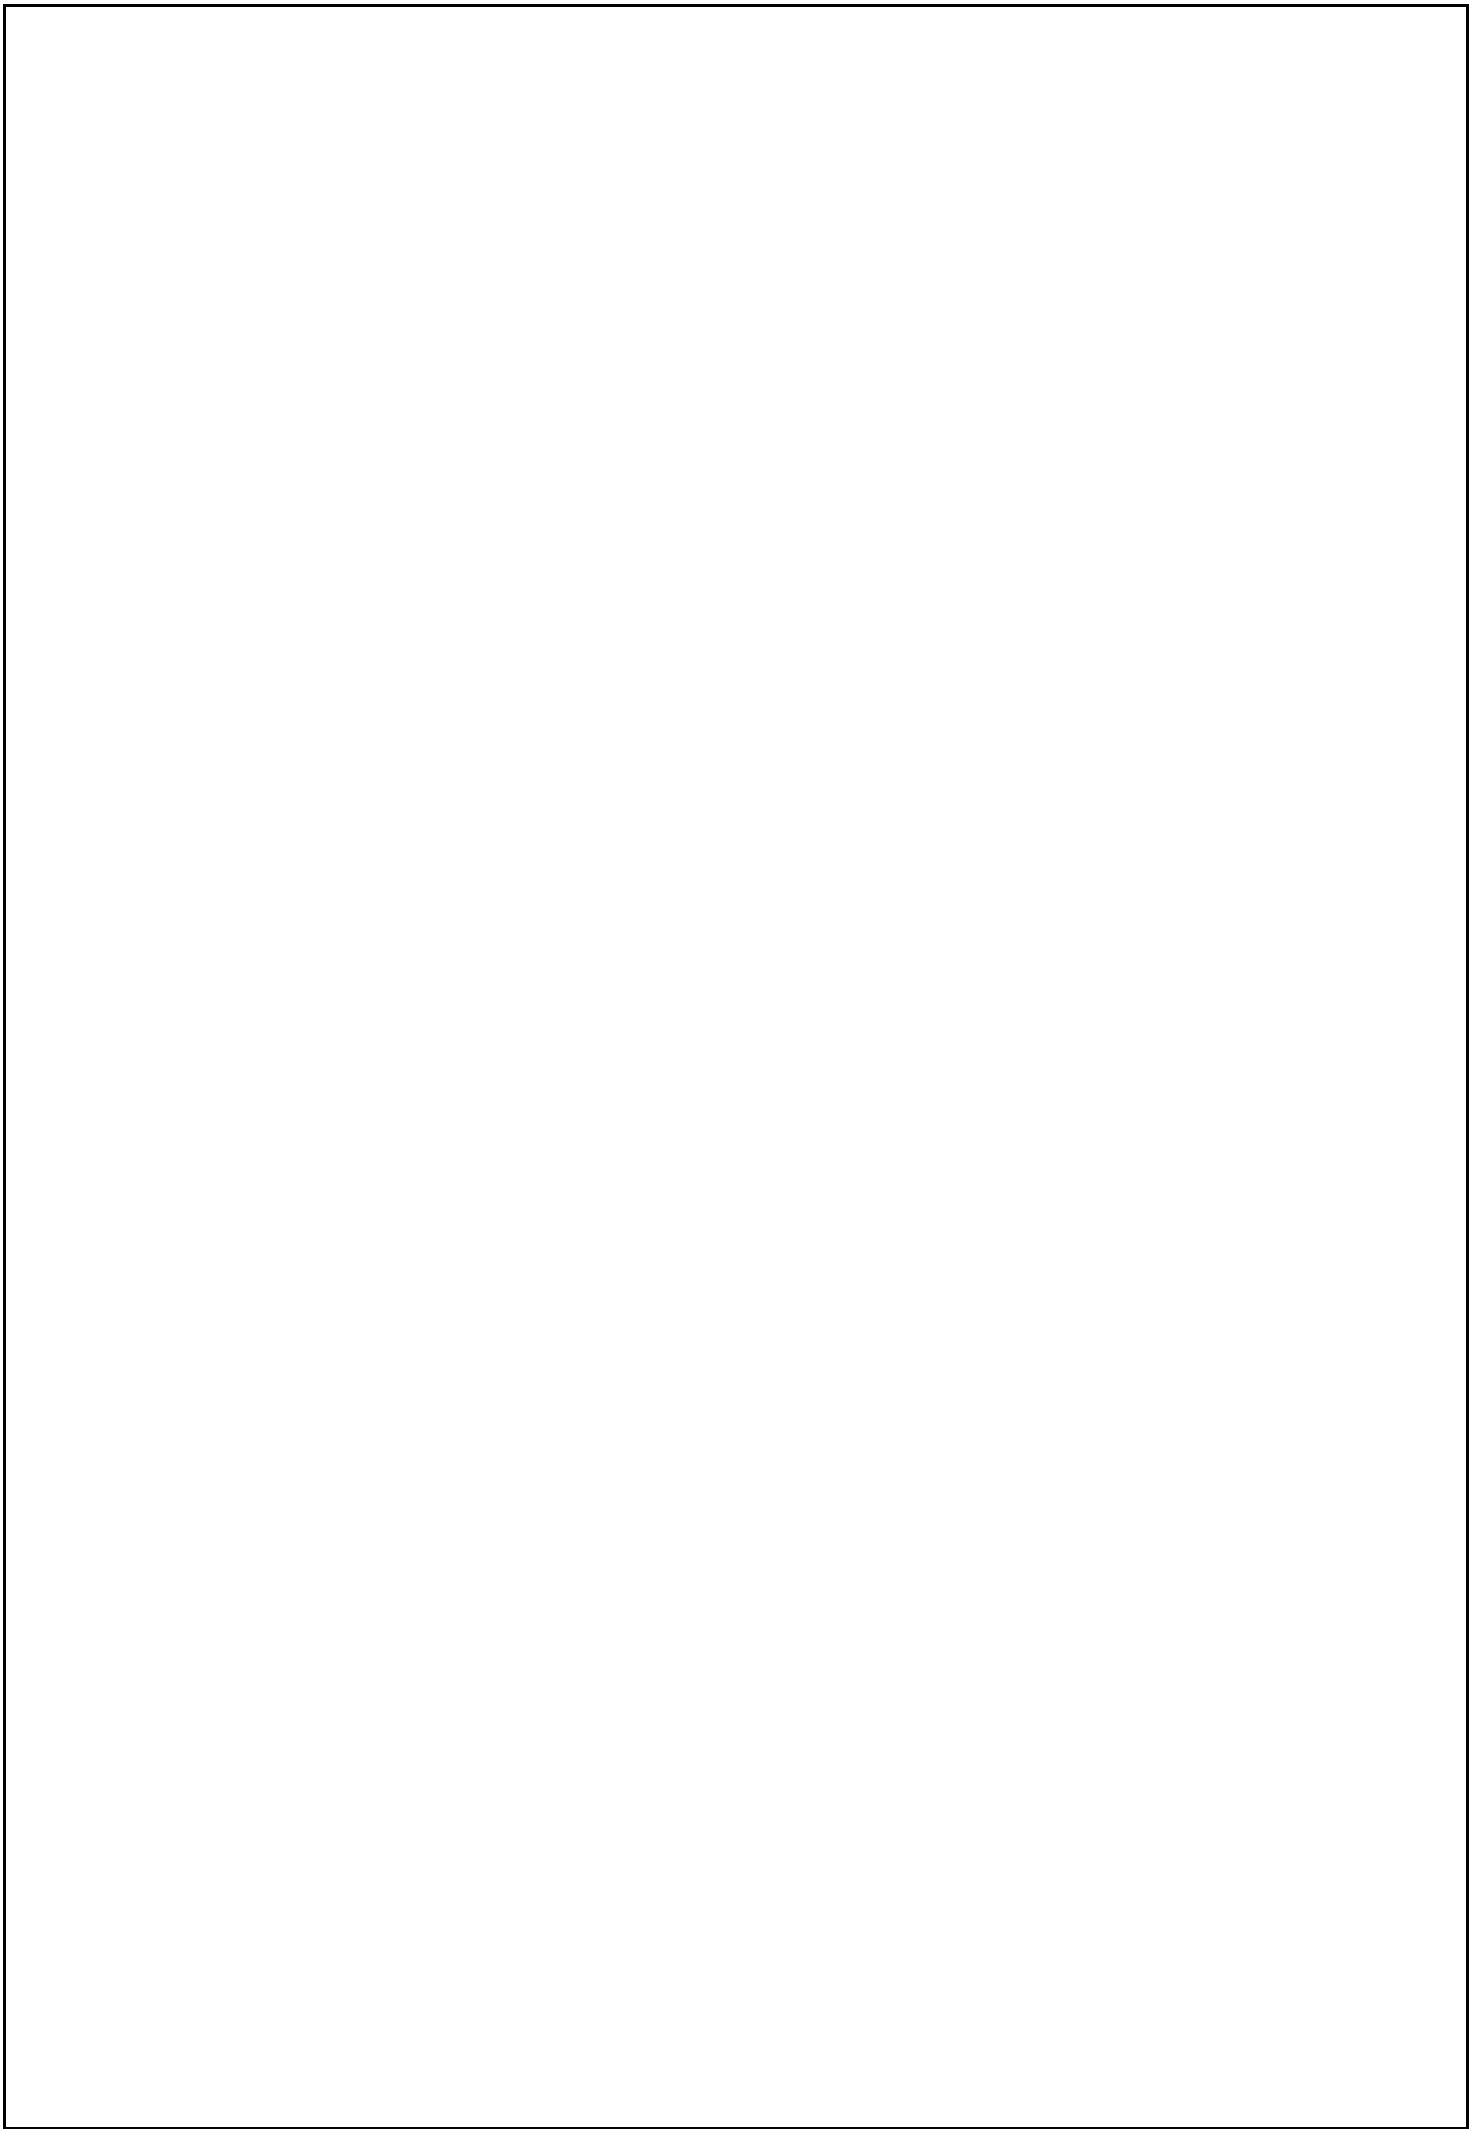

## Step 9:

## Step 10:

Chatbot was developed and integrated Successfully.
